We wish to welcome you to the Albert City Threshermen & Collectors Show. We want you to enjoy the show and your camping experience. With many campers coming in, you might be a little crowded, but you will be made as comfortable as possible.

RULES

1. Please contact your campground host or hostess upon arrival, and if you have any questions or need assistance throughout the weekend.
2. Each camping unit may park one vehicle with it. All other vehicles **must** be parked at the general parking lot south of the campsites. Please respect this rule so we can have enough room for everyone.
3. Due to close quarters, **no open fires are allowed** except at the camp's open fire pit. The exception to this will be charcoal and gas grills.
4. We appreciate your help in keeping your campsite clean. Trashcans are available for your use. Water is available from two spigots located near the camp host's office.
5. Respect those who need their rest later in the evening. Quiet time begins at 10:00 p.m. **Generators must be turned off at this time.**
6. All pets must be tied up or on a leash and cleaned up after.
7. Please be careful when crossing the road going to and coming from the campsite. **USE THE SOUTH CROSSWAY.**

Your cooperation is much appreciated. We look forward to seeing you again next year.
