There are a limited number of electrical campsites available. Camping at these sites is available beginning on Saturday, August 3, 2024 until Monday, August 12, 2024. It is a \$200 flat fee to camp at the electrical sites (no matter how many of these nights you stay). In order to reserve one of these spots, you must fill out the registration form and pay the \$200 fee. Reservations are not confirmed until the Threshermen Office receives the registration form and the \$200. Once the spots are filled, we will start a waiting list. If your payment is not received by August 1, 2024, your campsite will be given to someone on the waiting list.
